WORK EXPERIENCE

frontend web developer
Aurora (Remotely)

09/2022 - 04/2023

Achievements/Tasks

- Spearheaded the development of a responsive and user-friendly e-commerce platform, resulting in a 20% increase in user engagement and a 15% boost in conversion rates.
- Collaborated closely with the design team to implement pixel-perfect UI/UX designs, ensuring a seamless and visually appealing user experience.
- Utilized modern frontend technologies such as ReactJS, HTML5, and CSS3 to build dynamic and interactive web applications, enhancing overall website performance and responsiveness.
- Integrated third-party APIs for payment gateways, optimizing the checkout process and reducing transaction time by 30%.

frontend web developer
Outzone

01/2024 - Present

Achievements/Tasks

- - Implemented and maintained code version control using Git, facilitating a streamlined and collaborative development process within a cross-functional team.
- - Conducted thorough code reviews to ensure code quality, adherence to coding standards, and to identify opportunities for optimization.
- Actively participated in Agile development sprints, contributing to daily stand-ups, sprint planning, and retrospectives to ensure timely project delivery.
- Stayed abreast of industry trends and emerging technologies, incorporating best practices and adopting new tools to continuously improve development processes.
